

PATROLEYES ★ ONE YEAR WARRANTY

HD ELITE

PatrolEyes delivers superior quality, the longest battery life, and the most features at half the cost!

ADVANCED FEATURES

ONE TOUCH RECORDING While in standby mode or turned off, simply press the record button on the camera to start recording. LED indicators and vibration alerts will notify you when recording has started or stopped.

1296P SUPER HIGH DEFINITION VIDEO With the ability to record in crystal clear HD 1296p and 1080p video, this camera's wide angle view will record every detail.

REMOVABLE BATTERY Comes with a 6 hour battery that can easily be swapped out for much longer recording.

23 MEGAPIXEL CAMERA Features a 23MP camera with a burst shot option of 3 or 5 photos, the built-in memory can store thousands of high quality images instantly. Snap pictures while the camera is recording as well.

INCLUDED CHARGING STATION The drop-in charging cradle allows you to charge both an extra battery and the camera at the same time.

LARGE STORAGE SPACE Comes with 32GB or 64GB of storage so you can record hours of footage.

PRE AND POST EVENT RECORDING Allows you to record videos 30 seconds prior (in 1080p mode) to the point when you press record, so you never miss a moment.

AUTO INFRARED Automatic night vision recording allows you to see up to 30ft in low light settings.

EVENT TAGGING Easily tag and lock important files for quick access and review.

TIME/DATE/ID STAMP Date and time stamp option on every video with officer ID that can't be tampered with. Can also be password protected.

EXTERNAL CAMERA SUPPORT Supports an optional 5V external button camera for covert applications or a wide angle lens version for a lower profile setup.

DEVICE LOGGING When transferring videos the included files have their own unique device ID, log files, and video/photo files organized into folders so you can easily find the evidence you need.

HEAVY DUTY CASING Waterproof and drop proof up to 10 feet!
