Drop Lock Mount

This quick release clip mounting system will ensure your PatrolEyes police body camera stays exactly where you put it! Light weight and simple to use, a user can quickly lock in or release the PatrolEyes body camera from the mount that is securely attached to your uniform or molle mount.

Epaulette Mount

This sturdy leather epaulette shoulder mount connects seamlessly to your PatrolEyes camera using the camera's built in mounting system. This mount is not only tough, but is very reliable. With this mount you can be sure you capture the footage you need.

Magnet Mount Clip

Make sure that you will not lose your camera in a scuffle! With heavy duty magnets, just replace the original alligator clip with the new modified magnet mount clip. The magnets on the back of the clip attach to a magnet strip inside your vest that securely attaches your camera to your vest.

Covert Button Camera

This is a 65° narrow field of view button camera kit for PatrolEyes cameras. Includes 4 different size buttons that will easily fit on the camera. Also includes buttons for your shirt.

Lanyard

This is a lanyard for your PatrolEyes camera to securely attach it to your uniform or vest.

Suction Cup Mount

This powerful suction pad attaches to any smooth, flat non-porous surface! The mount is heavy duty and has a full range of motion. It is made of hard plastic, and is easy to install! The mount slides into the existing clip mechanism.

Carrying Case

Use this carrying case to protect and carry your PatrolEyes camera while not in use. Works with all of the full size PatrolEyes cameras.

8 Camera Docking Station

The PatrolEyes docking station can charge and transfer data from up to 8 cameras simultaneously. Using the PatrolEyes Digital Evidence Management Software (DEMS) and docking station you can automatically upload all files to a PC or the PatrolEyes cloud with one click! Once the files are successfully transferred, DEMS will automatically delete all the files off the device. The docking station saves you valuable time and resources.

Chest Harness Mount

This chest harness mounting system will ensure your PatrolEyes camera stays exactly where you put it! Quickly strap this mount around your chest and shoulders to catch all of the activity in front of you. Simply screw the body camera adapter to the chest mount screw and your camera will be securely attached.

Removable Battery

Use this battery for your PatrolEyes to keep you recording for several more hours!

Wide Angle Camera

This camera is perfect for officers who prefer to wear a lightweight camera and attach the PatrolEyes body camera to their belt instead. The camera has a 120° wide angle field of view which allows you to capture what you would normally see.

Metal Alligator Clip

This is an original replacement metal alligator clip for your PatrolEyes camera.

Tripod Adapter

This 1/4" thread adapter is designed specifically for our PatrolEyes body cameras. The adapter attaches to the camera's built in mount system and can then be threaded onto anything with a 1/4" bolt.

Protection Plus Program

Before you drop, scratch, damage, spill on, or break a button - get the PatrolEyes Protection Plus Program. With full coverage for issues with your camera such as electrical malfunctions, broken zoom or SD card reader failure, you are fully covered. With our coverage, your camera is protected for accidents caused by you or others. We will repair your PatrolEyes camera within 5 business days.

PatrolEyes Automatic Video Redaction Software

Our PatrolEyes video redaction software is the fastest redaction software out there! With our simple web interface and automatic face detection our software will save you hours of time. No more need to go through videos frame by frame and apply a crude black box. Our professional software is compatible with all major file formats! Simply upload your file to the website, select face detection and let the software do the rest! You can also select an object such as a credit card, license plate or sign in the video and our software will select and follow that object. Body redaction is also available that will automatically detect a person and redact the whole person. Audio redaction is also possible and easy. Contact us for a free demo.
